

We are looking for an experienced and highly motivated financial manager to join our team.

As a financial manager, you will play a vital role in reviewing the economic health and overseeing the success of our organisation. You will manage all financial activities, analyse financial data and provide strategic guidance to the executive team.

Your expertise in financial planning, budgeting, forecasting and reporting will be essential in driving the company towards achieving its economic objectives.

This is an exciting opportunity for an experienced and motivated finance professional to join our team and contribute to our organisation's growth and success. We offer a competitive salary, a comprehensive benefits package, and professional development and advancement opportunities.

## **Objectives of this role**

- Develop and implement financial policies and procedures to ensure compliance with legal and regulatory requirements.
- Prepare financial reports and forecasts, including balance sheets, income statements and cash flow statements.
- Monitor and manage the company's budget, expenses and cash flow, ensuring that the financial targets are achieved.
- Conduct financial analysis and research to support business decisions and identify areas for improvement.

## **Your tasks**

- Manage financial audits and work with external auditors to ensure compliance with regulatory standards.
- Oversee the accounting department and ensure that the financial records are accurate.
- Manage relationships with banks, investors and other financial institutions to ensure that the company has access to the necessary capital to fund its operations.
- Provide financial guidance and support to other departments, including sales, marketing and operations and help achieve their objectives.

- Stay up-to-date with industry trends and best practices in financial management.

## **Required skills and qualifications**

- Bachelor's degree in finance, accounting or a related field.
- 5+ years of experience in financial management or accounting.
- Strong understanding of corporate financial planning, risk management and investment strategies.
- Strong knowledge of accounting principles, practices, financial regulations and tax regulations in India.
- Analytical skills to interpret large volumes of data, spot anomalies and assess risks in economic forecasts.
- Experience with financial management software like NetSuite ERP and collaborative tools like Microsoft SharePoint, OneDrive & Confluence.
- Working knowledge of Microsoft Office Suite (Outlook, Excel, Word, PowerPoint).
- Excellent communication, interpersonal and presentation skills.

## **Preferred skills and qualifications**

- Professional certification, such as a Chartered Financial Analyst (CFA) or Certified Public Accountant (CPA).
- Ability to work under pressure and meet tight deadlines.
- Strong management and leadership skills.
